

Tail-, Rear Seat Bag

Designed to fit perfectly on the rack or rear seat and with the feature of expansion to allow even more capacity! There is space for more than just the rain gear here - expands from 1 litres up to 3.5 litres. Water-repellent material, reflective strips, attractive grey and black colour scheme and the chord helps you to carry the bag. Dimensions: approx. 19x22x11cm

Also referred to as rack bag, tail rack bag, tailbag.
