

Racing screen

4025066156733

Our Naked Bike Racing Screen for BMW G310R motorcycles fits perfectly to this agile, easy-to-use and lightweight Roadster. At a height of 32 cm and a width of 32 cm, the screen shields from headwind while highlighting the ease of use and the strengths of this city runabout. The windshield mounts onto two angle brackets on the handlebar clamp (mounting hardware kit included).

Height: 320 mm

Width: 320 mm

With EU Street-Homologation.

Also referred to as windshield, windscreen, shield, screen.

Install Instruction

All screens, whether clear, smoke grey or black, have a black printing on the lower part of the screen (see pictures)!
