

Air deflector

8547W

These acrylic extensions will be mounted behind the original hand protectors. They provide perfect protection from wind and rain. They are compatible with the original windshield.

Shipment: 1 set (1x left and 1x right)

Install Instruction

Note: The handlebars or the armature may need to be turned up slightly so that the tank is not touched when the handlebar is fully turned!

Also referred to as spoiler, add-on spoiler.
