

## Touring windshield

For long distance rides the Touring series was developed to minimize the windblast against the rider. These screens raise the windblast for several centimeters, allowing the rider to keep a more comfortable position riding the motorcycle. The windshield comes with a windshield mount.

Also referred to as windshield, windscreen, shield, screen.

455 x 350 mm (HxW)

290mm higher than the original screen.

### Install Instruction

BMW R1250R (2019-2022)

Not suitable for models with LED headlights since 2023!
