

Waterproof cargo bag CANYON

Waterproof cargo bag CANYON, volume of 8 litres

This cargo bag has a waterproof roll-top closure system and can be attached to the fairing crash bar, saddle or luggage rack using straps. For some motorcycle models, it can also be installed in combination with the side bags GRT720 (see image 5). The reflective motif prints on the side bags ensure better visibility of the motorcycle in bad weather.

Materials:

- 840 TPU high resilience
- TPU reinforcements
- Outer materials with high UV resistance
- Seamless high frequency welded (IPX5 waterproof quality, withstands heavy rain and extreme conditions)

Dimensions: 34 x 21 x 14 cm

Art-Nr.: GRT722

74,90 EUR

Waterproof cargo bag CANYON 8 liters (1 piece)
